

One to a hundred, we've got you covered

Nonprofits in the technology sector are doing great work in expanding access to technology and broadband.

But there is often a troublesome challenge – finding good, reliable, low-cost computers for clients and staff use.

ReliaTech is ready to help you eliminate that issue with our line of Gold Star Certified Renewed Computers.

All Gold Star Computers for nonprofits meet or exceed these minimum specifications:

- Pentium 4 processor at 2 GHz
- 1 GB RAM
- 60 GB Hard disk
- Ethernet (networking) and USB ports
- Windows XP or 7
- MS Office 2007 or Libre Office (optional)
- Free anti-virus/malware program
- Skype
- Adobe Acrobat Reader
- Keyboard, mouse and 15" LCD monitor.
- 180-day warranty

Prices start at just \$125 per system.

We also have multi-core systems, desktops, laptops and servers. We can provide monitors of any size, printers, WiFi, and other accessories as well. Custom software installation is available, too.

We can deliver anywhere in California, and subject to minimum quantities and distance, delivery can be free. In addition, we can install and provide ongoing maintenance in the Bay Area.

Contact us for your personalized quote. Email delaney@reliatech.org, or call 510 978-4333.

And we will collect your e-waste at no charge in the Bay Area.

Find more info here: www.reliatech.org/goldstar/goldstar.html, or scan the QR code below with your smartphone.

Every Gold Star computer has completed a rigorous 25-point refurbishing process and is guaranteed for six months.
